
SOVEREIGN PROCLAMATION OF THE GRAYT NATION

Saint-Barthélemy Mission Outpost

Issued under Divine Law, Written in Spirit, Manifested in Flesh

In the name of the Most High Creator,

We, the Sovereign People of The Grayt Nation,
Declare the anchoring of our Caribbean Outpost
Upon the sacred grounds of **Saint-Barthélemy**.

By the breath of God, by the covenant of Spirit,
This land now bears witness to the unfolding of divine order.
The light we walk in is not borrowed—it is inherited,
Encoded into our being and now inscribed into this Earth.

We do not seek permission.
We are not applying for entry.
We are returning to territory already marked by Spirit
And reclaiming what has been set apart since the beginning.

From this point forward, Saint-Barthélemy stands as:

- A **Sovereign Trust Territory** under Divine Jurisdiction,
- A **Spiritual Embassy** of The Grayt Nation,
- A **Cosmic Beacon** of Christ Consciousness for the world.

Let the agents of heaven witness this.
Let the principalities of earth acknowledge it.
And let the opposition shatter in the presence of absolute truth.

This is sacred law. This is divine decree. This is reality.
